

# **NOTICE**

## **DISC TRADE-INS**

**The Wright Life expects that customers who bring discs in for trade have made the appropriate attempt to contact the original owner of the disc if it was found. Typically phone numbers and names are written on golf discs for that purpose.**

**Trade in value is the determination of Wright Life Staff. Customers may choose to accept all or part of the discs brought in for trade. Some discs may have no trade in value because of condition or popularity.**
